

THESE RULES APPLY TO ALL MOTORBIKES, SCOOTERS, GO-CARTS, 3 & 4 WHEELERS, AND DIRTBIKES.....AND FOR ALL MEMBERS

April 2007

Due to the large growing number of recreation vehicles on the lake grounds, we have set aside designated bike trails and meadows where speeds can exceed the 10-MPH speed limit. These are on the west side of the lake area.

Motor bikes, scooters, go-carts, 3 & 4 wheelers, and dirt bikes may enter the bike trail area traveling between the dam and south of the slew area along the base of the dam to the wooded area to the West, or they can reach the designated riding areas by the road. Along the dam base and roads, speed limit is 10 MPH. **“NO EXCEPTIONS”**. **A policy has been put in place to help ensure that speeding violators are stopped. The first time a violation takes place, the driver and/or parents will receive a Warning. The second time they will be given a fine. PLEASE NOTE THAT WHEN THE DAM AND MEADOWS ARE WET, NO VEHICLE TRAFFIC IS ALLOWED!!!**

Motor bikes, scooters, go-carts, 3 & 4 wheelers, and dirt bikes are not permitted to operate before 9:00 a.m. and after 10:00 p.m. This rule was originated to assure that late night and early morning hours are free from noise. **“NO EXCEPTIONS”**

Golf carts may be operated after dark on the roads (only) to and from other cabins, if the cart is equipped with permanent headlights and taillights, which are visible up to 200 feet.
